RECOMMENDED CASH ACQUISITION

of

SolGold plc (“SolGold”)

by

Jiangxi Copper (Hong Kong) Investment Company Limited (“JCHK”)

**to be implemented by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

Summary

- The boards of directors of SolGold and JCHK, for and on behalf of Jiangxi Copper Company Limited (“**JCC**”), are pleased to announce that they have reached agreement on the terms of a recommended all cash acquisition of the entire issued and to be issued ordinary share capital of SolGold (the “**Acquisition**”). The Acquisition is to be effected by means of a scheme of arrangement under Part 26 of the Companies Act.
- Under the terms of the Acquisition, SolGold Shareholders shall be entitled to receive:
 - 28 pence in cash per SolGold Share (the “Cash Consideration”)**
- The Cash Consideration values the entire issued and to be issued share capital of SolGold at approximately £867 million, and represents:
 - a premium of c.42.9% to the closing price of 19.6 pence per SolGold share on 19 November 2025, being the last business day prior to JCC's first approach to the SolGold Board;
 - a premium of c.58.8% to the volume weighted average share price of c.17.6 pence per SolGold share over the three months to 27 November 2025, being the last business day prior to the announcement by SolGold of JCC's initial proposal;
 - a premium of c.136.4% to the volume weighted average share price of c.11.8 pence per SolGold share over the twelve months to 27 November 2025; and
 - a premium of c.7.1% to the closing price of c.26.2 pence per SolGold share on 27 November 2025, following a 33.4% increase in the SolGold share price since 19 November 2025.

Background to and reasons for the Acquisition

- As a consequence of JCHK being the largest individual shareholder in SolGold, JCC is familiar with Cascabel and SolGold's exploration portfolio. JCC is aligned with SolGold's long-term goals to define a clear development pathway to bring Cascabel into production, and has been a shareholder in SolGold since November 2020, now owning c.12.2% of SolGold's issued share capital.
- JCC shares SolGold management's vision that Cascabel carries the potential to deliver immense value to global mineral supply. While recognising that SolGold's management has significantly advanced the Cascabel Project, JCC believes additional work and investment is needed to establish JCC's own development plan and optimise the Project's value over the entire life of mine. With JCC's technical capabilities, engineering, supply chain and financial resources, and knowledge of the project through its past investment, JCC believes that it is well positioned to develop and finance Cascabel with greater certainty, in order to unlock its future growth potential. JCC will, as a well-capitalised and supportive investor with a strong track record in developing assets, commit financing and development resources on the path to production.

Recommendation

- The SolGold Directors, who have been so advised by RBC Capital Markets as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the SolGold Directors, RBC Capital Markets has taken into account the commercial assessments of the SolGold Directors.
- Accordingly, the SolGold Directors intend to recommend unanimously that SolGold Shareholders vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting, as the SolGold Directors have irrevocably undertaken to do in respect of their own beneficial holdings of 83,597,123 SolGold Shares, representing, in aggregate, approximately 2.8% of the ordinary share capital of SolGold in issue on the Latest Practicable Date.

Reasons for the Recommendation from the SolGold Board

- The SolGold Board believes the Company has made substantial progress since the appointment of its new Chief Executive Officer in March this year, in re-framing the plan for the Cascabel Project, advancing permitting and key initiatives in country and, overall, re-working the strategy of the Company. The Board believes this progress has been reflected in the Company's strong share price performance over the course of this period.
- In November 2025, SolGold received the first of a series of unsolicited proposals from JCC, SolGold's largest shareholder. Following the receipt of these proposals, the SolGold Board has engaged with its other large shareholders, including BHP Billiton Holdings Limited and Newcrest International Pty Ltd, who indicated they would support the Acquisition on the terms set out in this announcement.
- The SolGold Board are confident in the Company's strategy but also acknowledge the intention of its largest shareholders to accept the proposal offered by JCC, which provides certainty today compared to exposure to potential future shocks that could affect advancement of the Project or the overall macro environment for financing the Project.

- In light of this support from its shareholders, and following discussions with its advisers and other large shareholders in SolGold, the SolGold Board considered that all of SolGold's Shareholders should be given the opportunity to consider the Acquisition.
- The Board has carefully considered the terms of the Acquisition, and taking into account the certainty that the Acquisition provides SolGold shareholders when weighed against the inherent uncertainty in delivering potential future value on a standalone basis, the SolGold Board has concluded that the Acquisition is in the best interests of SolGold Shareholders and SolGold as a whole.
- Further details are set out in section 6 (*Background to and reasons for the recommendation*).

Shareholder support

- JCHK is pleased to have received irrevocable undertakings from BHP Billiton Holdings Limited, Newcrest International Pty Ltd and Maxit Capital LP (and its affiliates) to vote (or procure the vote) in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting in respect of their beneficial interests in SolGold Shares amounting, in aggregate, to 773,642,395 SolGold Shares, representing approximately 25.7% of the entire issued share capital of SolGold on the Latest Practicable Date.
- Taken together with the irrevocable undertakings given by the SolGold Directors, JCHK has therefore received irrevocable undertakings in respect of a total of 857,239,518 SolGold Shares representing, in aggregate, approximately 28.5% per cent. of the issued share capital of SolGold on the Latest Practicable Date.
- Further details of these irrevocable undertakings are set out in Appendix III to this Announcement.

Nothing in this Announcement should be relied on for any other purpose.

The Acquisition shall be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange and the Financial Conduct Authority.

Additional information for investors in the United States

The Acquisition relates to the shares of a UK company which are admitted to the Official List of the FCA and to trading on the London Stock Exchange's Main Market for listed securities and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the requirements of United States tender offer and proxy solicitation rules.

However, if JCHK were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into the United States, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by JCHK and no one else.

In the event that the Acquisition is implemented by way of Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act (if applicable), JCHK or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of SolGold outside of the United States, other than pursuant such Takeover Offer, during the period in which such Takeover Offer would remain open for acceptance. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its SolGold Shares pursuant to the Scheme may be a taxable transaction for United States federal income tax purposes. Each SolGold Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

Financial information relating to SolGold included in this Announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of United States companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States ("US GAAP"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. None of the financial information in this Announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

It may be difficult for US holders of SolGold Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Acquisition, since JCHK and SolGold are each organised in countries other than the United States, and some or all of their officers and directors may be residents of, and some or all of their assets may be located in, jurisdictions other

than the United States. As a result, US holders of SolGold Shares may not be able to effect service of process upon a non-US company or its officers or directors or to enforce against them a judgment of a US court for violations of federal or state securities laws of the United States, including judgments based upon the civil liability provisions of the US federal securities laws. US holders of SolGold Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

Neither the US Securities and Exchange Commission nor any US state securities commission has approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition or determined if this Announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

Other unknown or unpredictable factors could cause actual results, performance, actions, achievements or developments to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results, performance, actions, achievements or developments may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

None of JCC, JCHK or SolGold, nor any of their respective associates, directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the Announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). RECOMMENDED CASH ACQUISITION

of

SolGold plc (“SolGold”)

by

Jiangxi Copper (Hong Kong) Investment Company Limited (“JCHK”)

**to be implemented by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

1 Introduction

The boards of directors of SolGold and JCHK, for and on behalf of Jiangxi Copper Company Limited (“JCC”), are pleased to announce that they have reached agreement on the terms of a recommended all cash acquisition of the entire issued and to be issued ordinary share capital of SolGold (the “**Acquisition**”). The Acquisition is to be effected by means of a scheme of arrangement under Part 26 of the Companies Act.

2 The Acquisition

Under the terms of the Acquisition, which shall be subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document, SolGold Shareholders will be entitled to receive:

28 pence in cash per SolGold Share (the “Cash Consideration”)

The Cash Consideration values the entire issued and to be issued share capital of SolGold at approximately £867 million, and represents:

- a premium of c.42.9% to the closing price of 19.6 pence per SolGold share on 19 November 2025, being the last business day prior to JCC’s first approach to the SolGold Board;
- a premium of c.58.8% to the volume weighted average share price of c.17.6 pence per SolGold share over the three months to 27 November 2025, being the last business day prior to the announcement by SolGold of JCC’s initial proposal;
- a premium of c.136.4% to the volume weighted average share price of c.11.8 pence per SolGold share over the twelve months to 27 November 2025; and
- a premium of c.7.1% to the closing price of c.26.2 pence per SolGold share on 27 November 2025, following a 33.4% increase in the SolGold share price since 19 November 2025.

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of SolGold Shares, JCHK reserves the right to reduce the Cash Consideration by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case SolGold Shareholders would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital authorised, declared, made or paid.

The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting will be distributed to SolGold Shareholders (along with the Forms of Proxy for use in connection with the Court Meeting and the General Meeting) as soon as reasonably practicable and, in any event (save with the consent of the Panel), within 28 days of the date of this Announcement.

3 Background to and reasons for the Acquisition

As a consequence of JCHK being the largest individual shareholder in SolGold, JCC is familiar with Cascabel and SolGold's exploration portfolio. JCC is aligned with SolGold's long-term goals to define a clear development pathway to bring Cascabel into production, and has been a shareholder in SolGold since November 2020, now owning c.12.2% of SolGold's issued share capital.

JCC shares SolGold management's vision that Cascabel carries the potential to deliver immense value to global mineral supply. While recognising that SolGold's management has significantly advanced the Cascabel Project, JCC believes additional work and investment is needed to establish JCC's own development plan and optimise the Project's value over the entire life of mine. With JCC's technical capabilities, engineering, supply chain and financial resources, and knowledge of the project through its past investment, JCC believes that it is well positioned to develop and finance Cascabel with greater certainty, in order to unlock its future growth potential. JCC will, as a well-capitalised and supportive investor with a strong track record in developing assets, commit financing and development resources on the path to production.

4 Recommendation

The SolGold Directors, who have been so advised by RBC Capital Markets as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. RBC Capital Markets is providing independent financial advice to the SolGold Directors for the purposes of Rule 3 of the Code. In providing its advice to the SolGold Directors, RBC Capital Markets has taken into account the commercial assessments of the SolGold Directors.

Accordingly, the SolGold Directors intend to recommend unanimously that SolGold Shareholders vote in favour of the Scheme at the Court Meeting and the resolution to be proposed at the General Meeting, as the SolGold Directors have irrevocably undertaken to do in respect of their own beneficial holdings of 83,597,123 SolGold Shares, representing, in aggregate, approximately 2.8% of the ordinary share capital of SolGold in issue on the Latest Practicable Date.

5 Background to and reasons for the recommendation

Founded in 2006, SolGold has established itself as one of the largest concession holders in Ecuador. The Company's flagship project, Cascabel ("**Cascabel**" or the "**Project**"), located in northern Ecuador's Imbabura Province, represents one of the world's most significant undeveloped copper-gold porphyry deposits.

The SolGold Board believes the Company has made substantial progress since the appointment of its new Chief Executive Officer in March this year, in re-framing the plan for the Cascabel Project,

advancing permitting and key initiatives in country and, overall, re-working the strategy of the Company. The Board believes this progress has been reflected in the Company's strong share price performance over the course of this period.

The offer

The SolGold Board received an unsolicited initial indicative offer on 20 November 2025 from JCC at an offer price of 24p per share, which was rejected by the SolGold Board. JCC then submitted a revised offer at 26p per share on 28 November 2025. This revised offer was rejected, as disclosed in the "possible offer" announcement on the same day.

JCC provided a further revised offer at 28p per share on 11 December 2025, following a series of discussions between the SolGold Board and JCC. The SolGold Directors, consistent with their fiduciary duties, consulted with its largest shareholders, who indicated that they would be supportive of an offer on these terms, as detailed in the Rule 2.4 announcement dated 12 December 2025.

In light of this support from its shareholders, in particular the support from BHP Billiton Holdings Limited and Newcrest International Pty Ltd, and following discussions with its advisers and other large shareholders in SolGold, the SolGold Board considered that all of SolGold's shareholders should be given the opportunity to consider the Acquisition.

Consequently, the SolGold Board indicated to JCC that it would be minded to recommend a transaction to shareholders on the terms proposed on 11 December 2025.

The SolGold Board and JCC have since finalised transaction documentation and agreed the terms of this firm offer to SolGold Shareholders. SolGold's largest shareholders continue to be supportive, and JCC has procured commitments to vote in favour of the resolutions relating to the Acquisition from BHP Billiton Holdings Limited, Newcrest International Pty Ltd and Maxit Capital LP and its affiliates. These shareholders represent in aggregate 773,642,395 SolGold Shares (representing approximately 25.7% per cent. of SolGold's ordinary share capital on the Latest Practicable Date).

The SolGold Directors have taken all relevant factors into account in considering the financial terms of the offer, including among others:

- the certainty that the Acquisition provides SolGold shareholders when weighed against the inherent uncertainty in delivering potential future value on a standalone basis, especially in the context of the need to raise significant additional capital, the terms of which are uncertain; and
- the feasibility of and risks associated with alternative strategic options to deliver greater value for SolGold Shareholders compared to the certainty and cash proceeds that the Acquisition provides.

Therefore, after careful consideration together with its financial and legal advisers, the SolGold Directors have concluded that the Acquisition is in the best interests of SolGold Shareholders and SolGold as a whole. Accordingly, the SolGold Directors unanimously recommend the Acquisition to SolGold Shareholders.

6 Shareholder support

JCHK has received irrevocable undertakings from BHP Billiton Holdings Limited, Newcrest International Pty Ltd and Maxit Capital LP (and its affiliates) to vote (or procure the vote) in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General

Meeting in respect of their beneficial interests in SolGold Shares amounting, in aggregate, to 773,642,395 SolGold Shares, representing approximately 25.7% of the entire issued share capital of SolGold on the Latest Practicable Date.

Taken together with the irrevocable undertakings given by the SolGold Directors, JCHK has therefore received irrevocable undertakings in respect of a total of 857,239,518 SolGold Shares representing, in aggregate, approximately 28.5% per cent. of the issued share capital of SolGold on the Latest Practicable Date

Further details of these irrevocable undertakings are set out in Appendix III to this Announcement.

9 JCC's strategic plans and intentions for SolGold

Strategic plans for SolGold

JCC shares SolGold management's vision that Cascabel carries the potential to deliver immense value to SolGold's stakeholders. While recognising that SolGold's management has significantly advanced the Cascabel Project, JCC believes additional work and investment is needed to establish JCC's own development plan and optimise the Project's value over the entire life of mine.

Following completion of the Acquisition, JCC intends to work closely with SolGold to develop its own comprehensive development plan to optimise the Project's value over its life of mine, including definition of an overall mine plan that covers Tandayama open-pit, Alpala sub-level caving and Alpala block cave, long-term TSF solution, detailed engineering and procurement planning, power and water infrastructure development, and provide the necessary investment in order to deliver on the exciting potential of Cascabel. With JCC's technical capabilities, engineering, supply chain and financial resources, and knowledge of the Project through its past investment, JCC believes that it is well positioned to develop and finance Cascabel and unlock its future growth potential.

JCC also plans to undertake, with input from the SolGold management team, a comprehensive review of SolGold's regional exploration assets following the Acquisition in order to consider how to best maximise value from these assets, which may include planning for exploration and development with potential partners on some of these assets. JCC, with input from the SolGold management team, will also assess whether any further regional exploration work would be in the best interests of the Company. JCC expects this review to be completed within 12 months of completion of the Acquisition. The outcome of this detailed review will guide any strategic decisions in respect of JCC's approach to development of these regional exploration assets.

Social responsibility and communities

JCC is a responsible and committed steward of mining assets and actively supports the sustainable development of local communities where it operates. In the first 12 months following completion of the Acquisition, JCC will review SolGold's existing social responsibility and community commitments to ensure alignment with its own established policies and practices. JCC has no intention of making any material changes to SolGold's initiatives, reflecting JCC's respect for SolGold's ongoing efforts and its intention to build on SolGold's existing community relationships.

Headquarters and headquarter functions, locations and fixed assets

JCC does not intend to redeploy or dispose of any material fixed assets of SolGold's as a result of the Acquisition.

JCC has no intention to change SolGold's locations of business, although it intends to transfer the central management function of SolGold to JCC following completion of Acquisition, which would result in the relocation of SolGold's headquarters to JCHK's headquarters in Mainland China and Hong Kong. Further information on the impact on SolGold's headcount as a result of this transfer is set out below.

JCC, as a publicly listed entity, maintains internal corporate reporting functions in order to satisfy its ongoing obligations. JCC therefore intends to align the internal corporate reporting practices of SolGold with that of JCC following completion of the Acquisition. JCC also intends to simplify SolGold's legal corporate entity structure where such entities are no longer required as a result of the above changes.

SolGold has no research and development function and JCC has no intentions in this regard.

Management, employees and locations of business

JCC attaches great importance to the experience of SolGold's management and employees. JCC intends to take a balanced approach to integration with the aim of retaining the best talent within SolGold.

JCC does not intend to make any material changes to SolGold's local Ecuadorian workforce. Following completion of the Acquisition, JCC will conduct a review of SolGold's key management personnel within other jurisdictions to assess the long-term need for their retention. JCC expects this review to be completed within 3 months and key management personnel will be retained for the duration of this review. The impact of any reductions in management, as set out above, is not expected to be material in the context of SolGold's overall employee base.

JCC intends to fully safeguard and observe the existing contractual and statutory rights and terms and conditions of employment of the management and employees of SolGold and its subsidiaries in accordance with applicable law, including pension obligations and any legal requirement to consult employee representative bodies. SolGold does not operate any pension schemes and therefore JCC has no intentions in this regard.

In keeping with JCC's existing practices, JCC intends to focus on building the local workforce to fulfil the requisite skills and functions of the employees and management of SolGold. JCC does not intend to make any material changes to the conditions of employment or balance of skills and functions of the SolGold employees, unless otherwise agreed with the relevant individuals.

As set out above, JCC intends to relocate SolGold's headquarters and reduce functions required to maintain SolGold's publicly listed status, which will result in material headcount reductions in those specific functions. The impact of any such changes is not expected to be material in the context of SolGold's overall employee base.

Overall, JCC does not intend to make material reductions to SolGold's overall employee base.

Immediately following the Acquisition taking effect, it is intended that each of the non-executive directors of SolGold shall resign from his or her office as a director of SolGold.

Management incentivisation arrangements

JCC has not entered into, and has not had any discussions on proposals to enter into, any form of incentivisation or other arrangements with members of SolGold's management or employees. Following completion of the Acquisition, JCC may have discussions and enter into such discussions for certain members of the SolGold management team.

Trading facilities

SolGold's Shares are currently listed on the Official List and admitted to trading on the London Stock Exchange. As set out in paragraph 14, a request shall be made for the cancellation of the listing of SolGold's Shares from the Official List and, following completion of the Acquisition, steps will be taken to re-register SolGold as a private company.

Rule 19.5

None of the statements in this Section 9 are “post-offer undertakings” for the purposes of Rule 19.5 of the Code.

10 SolGold Share Plans

Participants in the SolGold Share Plans will be contacted regarding the effect of the Acquisition on their rights under the SolGold Share Plans and appropriate proposals will be made to such participants in due course. Further details of the terms of such proposals will also be included in the Scheme Document.

11 Financing

The Cash Consideration will be funded by a combination of: (i) JCHK’s existing cash resources; and (ii) new debt to be provided by Société Générale pursuant to the terms of the Facility Agreement.

Peel Hunt, in its capacity as financial adviser to JCC, confirms that it is satisfied that sufficient resources are available to JCHK to satisfy in full the consideration payable under the terms of the Acquisition.

12 Dividends

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of SolGold Shares, JCHK reserves the right to reduce the Cash Consideration by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case SolGold Shareholders would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital authorised, declared, made or paid.

13 Structure of and Conditions to the Acquisition

It is intended that the Acquisition will be effected by means of a Court-approved scheme of arrangement between SolGold and the Scheme Shareholders under Part 26 of the Companies Act, although JCHK reserves the right to implement the Acquisition by means of a Takeover Offer (subject to Panel consent).

The purpose of the Scheme is to provide for JCHK to become the holder of the entire issued and to be issued ordinary share capital of SolGold. This is to be achieved by the transfer of the Scheme Shares to JCHK, in consideration for which the Scheme Shareholders shall receive the Cash Consideration.

The Acquisition shall be subject to the Conditions and further terms set out below and in Appendix I to this Announcement and to be set out in the Scheme Document and shall only become Effective, if, among other things, the following events occur on or before 11.59 p.m. on the Long Stop Date:

- the approval of the Scheme by a majority in number of the Scheme Shareholders who are present and vote (and are entitled to vote), whether in person or by proxy, at the Court Meeting and who represent at least 75 per cent. in value of the votes cast by those Scheme Shareholders;
 - the resolutions required to approve and implement the Scheme being duly passed by SolGold Shareholders representing the requisite majority or majorities of votes cast at the General Meeting (or any adjournment thereof);
-

- the sanction of the Scheme by the Court (with or without modification, but subject to any modification being on terms acceptable to SolGold and JCHK); and
- the delivery of a copy of the Court Order to the Registrar of Companies.

The Scheme will lapse if:

- the Court Meeting and the General Meeting are not held on or before the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date, if any, (a) as JCHK and SolGold may agree or (b) (in a competitive situation) as may be specified by JCHK with the consent of the Panel, and in each case that (if so required) the Court may allow);
- the Court Hearing is not held on or before the 22nd day after the expected date of such hearing as first announced by SolGold through a Regulatory Information Service (or such later date, if any, (a) as JCHK and SolGold may agree or (b) (in a competitive situation) as may be specified by JCHK with the consent of the Panel, and in each case that (if so required) the Court may allow); or
- the Scheme does not become Effective on or before the Long Stop Date.

Subject to satisfaction (or waiver, where applicable) of the Conditions, the Scheme is expected to become Effective during Q1 2026.

Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, regardless of whether or not they attended or voted at the Court Meeting or the General Meeting. The Cash Consideration will be despatched to Scheme Shareholders no later than 14 days after the Effective Date.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document, which shall be distributed to SolGold Shareholders (along with the Forms of Proxy for use in connection with the Court Meeting and the General Meeting) in due course.

Any SolGold Shares issued before the Scheme Record Time which remain in issue at the Scheme Record Time will be subject to the terms of the Scheme. The resolutions to be proposed at the General Meeting will, amongst other things, provide that SolGold's articles of association be amended to incorporate provisions requiring, among other things and subject to the Scheme becoming Effective, any SolGold Shares issued or transferred after the Scheme Record Time (other than to JCHK and/or its nominees) to be automatically transferred to JCHK (or as JCHK may direct) on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of SolGold's articles of association (as amended) will avoid any person (other than JCHK, its nominees and any person to whom JCHK may direct the transfer of SolGold Shares after the Effective Date) holding and retaining SolGold Shares after the Effective Date.

14 De-listing and re-registration of SolGold

Before the Scheme becomes Effective, it is intended that applications will be made to the London Stock Exchange to cancel trading in SolGold Shares on the Main Market, and to the FCA to cancel the listing of the SolGold Shares from the Official List, with each such cancellation expected to take effect shortly after the Effective Date.

The last day of dealings in, and registration of transfers of, SolGold Shares on the Main Market is expected to be the date of the Sanction Hearing and no transfers will be registered after 6.00 p.m. on that date.

On the Effective Date, share certificates in respect of SolGold Shares will cease to be valid and entitlements to SolGold Shares held within the CREST system will be cancelled. SolGold Shareholders shall be required to return share certificates to SolGold or destroy them following the Effective Date.

It is also proposed that, following the Effective Date and after its shares are de-listed, SolGold shall be re-registered as a private limited company.

15 Disclosure of Interests in SolGold

Save as disclosed above, and except for the irrevocable undertakings referred to in paragraph 6 above and Appendix III, as at the Latest Practicable Date, neither JCHK, nor any of its directors, nor, so far as JCHK is aware, any person acting in concert (within the meaning of the Code) with JCHK for the purposes of the Acquisition:

- has borrowed or lent any SolGold Shares or entered into any financial collateral arrangements relating to SolGold Shares; or
- is party to any dealing of the kind referred to in Note 11 on the definition of acting in concert in the Code in relation to the relevant securities of SolGold.

16 General

JCHK reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer for the SolGold Shares as an alternative to the Scheme. In such event, the Takeover Offer shall be implemented on the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments, including (without limitation) an acceptance condition set at a level permitted by the Panel.

The Acquisition shall be made subject to the Conditions and further terms set out in Appendix I to this Announcement and to be set out in the Scheme Document. The bases and sources of certain financial information contained in this Announcement are set out in Appendix II to this Announcement. A summary of the irrevocable undertakings given in relation to the Acquisition is contained in Appendix III to this Announcement. Certain terms used in this Announcement are defined in Appendix IV to this Announcement.

The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting, will be distributed to SolGold Shareholders (along with the Forms of Proxy for use in connection with the Court Meeting and the General Meeting) as soon as reasonably practicable and, in any event (save with the consent of the Panel), within 28 days of the date of this Announcement. The Scheme Document and Forms of Proxy shall be made available to all SolGold Shareholders at no charge to them.

Further information

This Announcement is for information purposes only and is not intended to and does not constitute, or form part of, any offer to sell or an invitation to purchase any securities; a solicitation of an offer to buy, otherwise acquire, subscribe for, sell or otherwise dispose of any securities pursuant to the Acquisition or otherwise; or the solicitation of any vote or approval in any jurisdiction pursuant to the Acquisition or otherwise nor shall there be any purchase, sale, issuance or exchange of securities or such solicitation in any jurisdiction in which such offer, solicitation, sale issuance or exchange is unlawful. The Acquisition will be made solely by means of the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) which, together with any related forms of proxy, will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Scheme. Any decision in respect of, or other response to, the Acquisition should be made only on the basis of the information contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document).

SolGold will prepare the Scheme Document to be distributed to SolGold Shareholders. SolGold and JCHK urge SolGold Shareholders to read the Scheme Document (or any other document by which the Acquisition is made) in full when it becomes available because it will contain important information relating to the Acquisition, including details of how to vote in respect of the Scheme.

The statements contained in this Announcement are made as at the date of this Announcement, unless some other time is specified in relation to them, and publication of this Announcement shall not give rise to any implication that there has been no change in the facts set forth in this Announcement since such date.

This Announcement does not constitute a prospectus or prospectus equivalent document.

Overseas shareholders

The release, publication or distribution of this Announcement in jurisdictions other than the United Kingdom, and the availability of the Acquisition to SolGold Shareholders who are not resident in the United Kingdom, may be restricted by the laws of those jurisdictions and therefore persons into whose possession this Announcement comes should inform themselves about and observe such restrictions. In particular, the ability of persons who are not resident in the United Kingdom to vote

their SolGold Shares with respect to the Scheme at the Court Meeting, or to execute and deliver forms of proxy appointing another to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Further details in relation to Overseas Shareholders will be contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document). Any failure to comply with any such restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by JCHK or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction, and persons receiving this Announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such Restricted Jurisdiction. If the Acquisition is implemented by way of Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into, or by use of mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities or from within any Restricted Jurisdiction.

This Announcement has been prepared in connection with proposals in relation to a scheme of arrangement pursuant to and for the purpose of complying with English law and the Code and information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom. Nothing in this Announcement should be relied on for any other purpose.

The Acquisition shall be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange and the Financial Conduct Authority.

Additional information for investors in the United States

The Acquisition relates to the shares of a UK company which are admitted to the Official List of the FCA and to trading on the London Stock Exchange's Main Market for listed securities and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the requirements of United States tender offer and proxy solicitation rules.

However, if JCHK were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into the United States, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by JCHK and no one else.

In the event that the Acquisition is implemented by way of Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act (if applicable),

JCHK or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of SolGold outside of the United States, other than pursuant such Takeover Offer, during the period in which such Takeover Offer would remain open for acceptance. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its SolGold Shares pursuant to the Scheme may be a taxable transaction for United States federal income tax purposes. Each SolGold Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

Financial information relating to SolGold included in this Announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of United States companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States (“US GAAP”). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. None of the financial information in this Announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

It may be difficult for US holders of SolGold Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Acquisition, since JCHK and SolGold are each organised in countries other than the United States, and some or all of their officers and directors may be residents of, and some or all of their assets may be located in, jurisdictions other than the United States. As a result, US holders of SolGold Shares may not be able to effect service of process upon a non-US company or its officers or directors or to enforce against them a judgment of a US court for violations of federal or state securities laws of the United States, including judgments based upon the civil liability provisions of the US federal securities laws. US holders of SolGold Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court’s jurisdiction or judgment.

Neither the US Securities and Exchange Commission nor any US state securities commission has approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition or determined if this Announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by JCHK or SolGold may contain statements about JCHK and SolGold that are or may be deemed to be “forward-looking statements”. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of JCHK and SolGold (as applicable) about future events, and are therefore subject to risks and uncertainties which could

cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this Announcement include statements with respect to the financial condition, results of operations and business of SolGold and certain plans and objectives of JCHK with respect thereto and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the fact that they do not relate only to historical or current facts and may use forward-looking words, phrases and expressions such as "anticipate", "target", "expect", "believe", "intend", "foresee", "predict", "project", "estimate", "forecast", "intend", "plan", "budget", "scheduled", "goal", "believe", "hope", "aims", "continue", "likely", "will", "may", "might", "should", "would", "could", "seek", "plan", "scheduled", "possible", "continue", "potential", "outlook", "target" or other similar words, phrases, and expressions; provided that the absence thereof does not mean that a statement is not forward-looking. Similarly, statements that describe objectives, plans or goals are or may be forward-looking statements. These statements are based on assumptions and assessments made by SolGold and/or JCHK in light of their experience and their perception of historical trends, current conditions, future developments and other factors they believe appropriate. By their nature, forward-looking statements involve known and unknown risk and uncertainty and other factors which may cause actual results, performance, actions, achievements or developments to differ materially from those expressed in or implied by such, because they relate to events and depend on circumstances that will occur in the future. Although JCHK and/or SolGold believe that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and you are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement.

There are a number of factors which could cause actual results, performance, actions, achievements or developments to differ materially from those expressed or implied in forward-looking statements. Such factors include, but are not limited to: the ability to proceed with or complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms; changes in the global, political, economic, social, business and competitive environments and in market and regulatory forces; changes in future inflation, deflation, exchange and interest rates; changes in tax and national insurance rates; future business combinations, capital expenditures, acquisitions or dispositions; changes in general and economic business conditions; changes in the behaviour of other market participants; the anticipated benefits of the Acquisition not being realised as a result of changes in general economic and market conditions in the countries in which JCHK and SolGold operate; changes in or enforcement of national and local government legislation, taxation, controls or regulations and/or changes in the administration of laws, policies and practices, expropriation or nationalisation of property and political or economic developments in the countries in which JCHK and SolGold carry on business or may carry on business in the future; fluctuations in the spot and forward price of relevant minerals or certain other commodities (such as diesel fuel, natural gas and electricity); the results of exploration activities and feasibility studies; the speculative nature of mineral exploitation and development; risks that exploration data may be incomplete and considerable additional work may be required to complete future evaluation, including but not limited to drilling, engineering and socioeconomic studies and investment; possible variations of ore grade or recovery rates; accidents, labour disputes and other risks of the mining industry; discovery of archaeological ruins; risk of loss due to acts of war, terrorism, sabotage and civil disturbances operating or technical difficulties in connection with mining or development activities, including geotechnical challenges and disruptions in the maintenance or provision of required infrastructure and information technology systems; outcome of pending or future litigation proceedings; the failure to maintain effective internal control

over financial reporting or effective disclosure controls and procedures, the inability to remediate one or more material weaknesses, or the discovery of additional material weaknesses, in the internal control over financial reporting; other business and operational risks and challenges; failure to comply with environmental and health and safety laws and regulations; timing of receipt of, or failure to comply with, necessary notices, concessions, permits and approvals; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which JCHK and SolGold operate any public health crises, pandemics or epidemics (including but not limited to the COVID-19 pandemic) and repercussions thereof; changes to the boards of directors of JCHK and/or SolGold and/or the composition of their respective workforces; safety and technology risks; exposures to terrorist activity, IT system failures, cyber-crime, fraud and pension scheme liabilities; risks relating to environmental matters such as climate change including JCHK and/or SolGold's ability along with the government and other stakeholders to measure, manage and mitigate the impacts of climate change effectively; changes to law and/or the policies and practices of regulatory and governmental bodies; Russia's invasion of Ukraine, conflicts in the Middle East, and any cost of living crisis or recession. Other unknown or unpredictable factors could cause actual results, performance, actions, achievements or developments to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results, performance, actions, achievements or developments may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

None of JCC, JCHK or SolGold, nor any of their respective associates, directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Given the risks and uncertainties, you are cautioned not to place undue reliance on these forward-looking statements.

None of JCC, JCHK or SolGold assumes any obligation to update or correct the information contained in this Announcement (whether as a result of new information, future events or otherwise), except as required by applicable law. All subsequent written or oral forward-looking statements attributable to JCC, JCHK or SolGold or any person acting on their behalf are qualified by the cautionary statements herein.

No profit forecasts or estimates

No statement in this Announcement is intended as, or is to be construed as, a profit forecast, profit estimate or quantified financial benefit statement for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for SolGold for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for SolGold.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the Announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom

Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the Announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they shall be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

 - (i) require, prevent or delay the divestiture, or materially alter the terms envisaged for any proposed divestiture by any member of the Wider JCHK Group or any member of the Wider SolGold Group of all or any portion of

Part B: Certain further terms of the Acquisition

1. Subject to the requirements of the Panel and the Code, JCHK reserves the right in its sole discretion to waive:
 - (a) the deadline set out in paragraph 1 of Part A of this Appendix I, and any of the deadlines set out in paragraph 2 of Part A of this Appendix I for the timing of the Court Meeting, the General Meeting and the Court Hearing. If any such deadline is not met, JCHK shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with SolGold (or, as the case may be, the Panel) to extend the deadline in relation to the relevant Condition; and
 - (b) in whole or in part, all or any of the Conditions set out in Part A of this Appendix I, except for the Conditions set out in paragraph 2.1(i), 2.2(i) and 2.3(i) of Part A of this Appendix I which cannot be waived.
 2. The Conditions set out in paragraph 3 of Part A of this Appendix I must each be satisfied or (if capable of waiver) be waived by JCHK by no later than 11.59 p.m. on the Long Stop Date. JCHK shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as satisfied any of the Conditions set out in paragraph 3 of Part A of this Appendix I that it is entitled (with the consent of the Panel and subject to the requirements of the Code) to invoke, by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any such Conditions may not be capable of fulfilment.
 3. Under Rule 13.5(a) of the Code, JCHK may not invoke a Condition to the Acquisition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to JCHK in the context of the Acquisition. JCHK may only invoke a condition that is subject to Rule 13.5(a) with the consent of the Panel and any condition that is subject to Rule 13.5(a) may be waived by JCHK. The Conditions set out in paragraphs 1 and 2 of Part A of this Appendix I and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Code.
 4. If JCHK is required by the Panel to make an offer for SolGold Shares under the provisions of Rule 9 of the Code, JCHK may make such alterations to any of the Conditions and the terms of the Acquisition as are necessary to comply with the provisions of Rule 9 of the Code.
 5. JCHK reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme (subject to the Panel's consent). In such an event, the Acquisition will be implemented on the same terms and conditions as those which would apply to the Scheme, subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the SolGold Shares to which such Takeover Offer relates (or such lesser percentage as JCHK may determine, subject to the rules of the Code and in consultation with the Panel, being in any case more than 50 per cent. of the SolGold Shares), or any amendments required by, or deemed appropriate by, JCHK under applicable law or any amendments necessary to reflect the Takeover Offer.
-

6. SolGold Shares which will be acquired pursuant to the Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature whatsoever and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid or any other return of capital or value (whether by reduction of share capital or share premium account or otherwise) by reference to a record date after the Effective Date.
7. If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of SolGold Shares, JCHK reserves the right (without prejudice to any right JCHK may have, with the consent of the Panel, to invoke the Condition set out in paragraph 3(e)(iii) of Part A of this Appendix I) to reduce the Cash Consideration by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case any reference in this Announcement or in the Scheme Document to the Cash Consideration will be deemed to be a reference to the Cash Consideration so reduced. If (but only to the extent) JCHK exercises this right or makes such a reduction in respect of any such dividend and/or other distribution and/or return of capital, SolGold Shareholders shall be entitled to receive and retain any such dividend and/or other distribution and/or return of capital declared, made, or paid. For the avoidance of doubt, any exercise by JCHK of its rights referred to in this paragraph shall not be regarded as constituting any revision or variation of the Acquisition.
8. Except with the Panel's consent, settlement of the Cash Consideration to which any Scheme Shareholder is entitled under the Scheme will be implemented in full in accordance with the terms of the Scheme without regard to any lien, right of set-off, counterclaim or other analogous right to which JCHK may otherwise be, or claim to be, entitled as against such Scheme Shareholder and will be effected in the manner described in this Announcement.
9. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction where to do so would violate the laws of that jurisdiction.
10. The Acquisition is governed by the law of England and Wales and is subject to the jurisdiction of the courts of England and Wales and to the Conditions and further terms set out in this Appendix I and to be set out in the Scheme Document. The Acquisition is subject to the applicable requirements of the Code, the Panel, the London Stock Exchange and the Financial Conduct Authority.
11. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
12. The Acquisition is subject to, *inter alia*, the Conditions set out in Part A and the further terms of the Acquisition set out in Part B of this Appendix I to this Announcement. The Acquisition is also subject to the full terms and conditions which will be set out in the Scheme Document and such further terms as may be required to comply with the provisions of the Code.
