To the holders (**Option Holders**) of outstanding options (**Options**) under the SolGold Long Term Incentive Plan adopted by the SolGold Board on 30 May 2022 (**LTIP**)

21 January 2026

Dear [REDACTED],

RECOMMENDED CASH ACQUISITION OF SOLGOLD BY JCHK: IMPACT ON YOUR OPTIONS

1. INTRODUCTION

1.1. What is the Acquisition?

On 24 December 2025, the JCHK Board and the SolGold Board announced that they had agreed the terms of a recommended cash acquisition of SolGold by JCHK pursuant to which JCHK will acquire the entire issued and to be issued share capital of SolGold.

The Acquisition is being effected by means of a Court-sanctioned Scheme of Arrangement under Part 26 of the Companies Act. This requires the approval of Scheme Shareholders at the Court Meeting and SolGold Shareholders at the General Meeting and the sanction of the Court.

1.2. What is the impact of the Acquisition on my Options?

We are writing to explain the effect of the Acquisition on your Options and the steps you may take in respect of your Options in connection with the Scheme.

In connection with the Scheme, the proposal (the **Option Proposal**) is that your Options shall vest in full and then such Options will be automatically cancelled in return for a cash payment (the **Cash Cancellation Payment**).

NO ACTION REQUIRED

You do not need to take any action in order to receive your Cash Cancellation Payment as the LTIP will be amended such that you automatically become entitled to it with effect from the Effective Date.

2. TERMS OF THE SCHEME OF ARRANGEMENT

If the Scheme becomes Effective in accordance with its terms, SolGold Shareholders will receive in respect of each relevant SolGold Share:

28 pence in cash per SolGold Share (Cash Consideration)

To become Effective, the Scheme must be approved by Scheme Shareholders who will vote on the Scheme at the Court Meeting and the General Meeting scheduled to be held on 23 February 2026. The Court will sanction the Scheme at the Scheme Sanction Hearing which is expected to take place on 2 March 2026.

The Acquisition and the Scheme are described in more detail in the Scheme Document. A copy of the Scheme Document can be found here: <https://solgold.com/investors/possible-offer-content/>.

An explanation of the defined terms used in this letter is provided at Appendix 2. Unless otherwise defined, defined terms used in this letter have the same meaning as the Scheme Document.

3. THE OPTION PROPOSAL

Under the terms of the Option Proposal, your Options will vest to the extent set out in section 1.2 above on the Court sanctioning the Scheme and you will then automatically become entitled to your Cash Cancellation Payment with effect from the Effective Date.

Your Cash Cancellation Payment will be equal to the amount by which the Cash Consideration (i.e. 28 pence per SolGold Share) exceeds the exercise price of your Options (i.e. 7 pence per SolGold Share) multiplied by the number of SolGold Shares in respect of which your Option vests.

Your Cash Cancellation Payment will be paid to you (subject to continued employment) via payroll subject to any required deductions in respect of income tax and employee social security contributions (**Tax Liability**) such that you receive the net (i.e. after tax) amount.

Your Cash Cancellation Payment shall be calculated in pounds sterling (GBP). Where conversion into a local currency is required, the amount shall be converted at the prevailing foreign exchange rate on the date the payment is processed.

4. TAXATION

A summary of the anticipated tax consequences of receiving the Cash Cancellation Payment is set out in Appendix 1 to this letter.

If you are in any doubt as to your own taxation position you should consult your own personal tax adviser immediately.

5. CAN I EXERCISE MY OPTIONS?

You may still exercise your Options following the Court sanctioning the Scheme, but the SolGold Shares you acquire following the Scheme Record Time will not then form part of the Scheme. Your Options will be cancelled in any event on the Effective Date under the terms of this Option Proposal. For the avoidance of doubt, if you choose to exercise your Options you will not then be entitled to the Cash Cancellation Payment.

You will also be required to fund the exercise price of your Options and make arrangements with SolGold for the payment of any Tax Liability due from you which arises in relation to the exercise of your Options for which a member of the SolGold Group is liable to account to the relevant tax authority on your behalf. You will have to make such arrangements before the exercise of your Options can take effect. You should also note that a resolution is proposed at the General Meeting to amend SolGold Articles. As a result of that amendment, any SolGold Shares issued on the exercise of Options after the Scheme Record Time will be automatically acquired by JCHK for the same consideration as you would have received had you participated in the Scheme (see section 2 above).

If you require further details relating to the exercise of your Options in connection with the Scheme, please

contact Ryan Wilson at SolGold by email at rwilson@solgold.com.

6. WHERE THE SCHEME DOES NOT PROCEED

The vesting of your Options and your entitlement to your Cash Cancellation Payment under the Option Proposal is conditional on the Court sanctioning the Scheme. If the Court does not sanction the Scheme, the vesting of your Options will not be accelerated and you will not be entitled to your Cash Cancellation Payment. Instead, your Options will remain in existence on their subsisting terms.

7. RECOMMENDATION BY SOLGOLD BOARD

The SolGold Board, who have been so advised by RBC Europe Limited (**RBC Capital Markets**) as to the financial terms of the Option Proposal, consider the terms of the Option Proposal to be fair and reasonable in the context of the Acquisition. In providing its advice to the SolGold Board, RBC Capital Markets has taken into account the commercial assessments of the SolGold Board. RBC Capital Markets is providing independent financial advice to the SolGold Board for the purposes of Rule 3 of the Takeover Code.

8. FURTHER INFORMATION

Please note that unless and until your Option is cancelled in return for the Cash Cancellation Payment (or is otherwise exercised in accordance with its terms) it remains in existence on its subsisting terms, including rule 4 of the LTIP as to termination of employment.

If you have any questions in relation to this letter, please contact Ryan Wilson at SolGold by email at rwilson@solgold.com. Please note, however, that neither Ryan Wilson nor anyone else at SolGold will be able to give you any legal, financial or tax advice in relation to your Options.

Yours faithfully
