FOR IMMEDIATE RELEASE

23 February 2026

RECOMMENDED CASH ACQUISITION
of
SolGold plc (“SolGold”)
by
Jiangxi Copper (Hong Kong) Investment Company Limited (“JCHK”)
to be implemented by means of a scheme of arrangement
under Part 26 of the Companies Act 2006

RESULTS OF COURT MEETING AND GENERAL MEETING HELD ON 23 FEBRUARY 2026

On 24 December 2025, the boards of directors of SolGold and JCHK, for and on behalf of Jiangxi Copper Company Limited (“**JCC**”), announced that they had reached agreement on the terms of a recommended cash offer to be made by JCHK to acquire the entire issued and to be issued share capital of SolGold (the “**Acquisition**”), to be implemented by way of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the “**Scheme**”).

SolGold is pleased to announce the results of the Court Meeting and the General Meeting held today in connection with the Acquisition to be effected by way of the Scheme.

At the Court Meeting, as more particularly described below, the requisite majority of Scheme Shareholders, who together represented more than 75% of the voting rights of all Scheme Shares, voted in favour of the resolution to approve the Scheme.

At the General Meeting, as more particularly described below, the requisite majority of SolGold Shareholders voted to pass the Special Resolution.

Full details of the resolutions that were proposed are set out in the notices of the Court Meeting and General Meeting contained in the scheme document published on 21 January 2026 in connection with the Acquisition (the “**Scheme Document**”).

Voting results of the Court Meeting

The results of the poll at the Court Meeting are set out in the table below. Each Scheme Shareholder present in person or by proxy, was entitled to one vote for each Scheme Share held at the Voting Record Time.

| Results of Court Meeting | Scheme Shares voted | | Scheme Shareholders who voted | | Number of Scheme Shares voted as a percentage of issued ordinary share capital entitled to vote on the Scheme* |
|--------------------------|----------------------|------------|-------------------------------|------------|--|
| | Number | %* | Number** | %* | %* |
| FOR | 1,350,161,069 | 91.46 | 74 | 66.67 | 50.99 |
| AGAINST | 126,091,924 | 8.54 | 37 | 33.33 | 4.76 |
| TOTAL | 1,476,252,993 | 100 | 101 | 100 | 55.75 |

* All percentages rounded to two decimal places.

** Where a Scheme Shareholder has cast some of their votes "For" and some of their votes "Against" the resolution, such Scheme Shareholder has been counted as having voted both "For" and "Against" the resolution for the purposes of determining the number of Scheme Shareholders who voted as set out in this column. The total of Scheme Shareholders voting "For" and "Against" the resolution therefore exceeds the total number of Scheme Shareholders who voted.

*** JCHK was not entitled to vote its 365,757,587 SolGold Shares at the Court meeting but was permitted to vote its SolGold Shares at the General Meeting.

Voting results of the General Meeting

The results of the poll at the General Meeting are set out in the table below. Each SolGold Shareholder present in person or by proxy, was entitled to one vote for each SolGold Share held at the Voting Record Time.

| Special Resolution | FOR | | AGAINST | | TOTAL | WITHHELD* |
|---|-----------------|--------------|-----------------|--------------|-----------------|-----------------|
| | Number of votes | % of votes** | Number of votes | % of votes** | Number of votes | Number of votes |
| To give effect to the Scheme, including the amendment of the articles of association of SolGold | 1,865,952,655 | 93.97 | 119,776,432 | 6.03 | 1,985,729,087 | 22,658,094 |

* A vote withheld is not a vote in law and is not counted in the calculation of the proportion of votes 'for' or 'against' the Special Resolution.

** Rounded to two decimal places.

The total number of SolGold Shares in issue at the Voting Record Time was 3,013,831,741, of which none were held in treasury. Consequently, for the purposes of the General Meeting, the total number of voting rights in SolGold at the Voting Record Time was 3,013,831,741.

Effective Date and Timetable

The outcome of today's Court Meeting and General Meeting means Conditions 2(a) and 2(b) (as set out in Section 1 of Part 3 of the Scheme Document) have been satisfied.

Completion of the Acquisition remains subject to the satisfaction (or, where applicable, waiver) of the remaining Conditions set out in the Scheme Document, including the sanction of the Scheme by the Court at the Scheme Sanction Hearing.

The expected timetable of principal events for the implementation of the Scheme remains as set out in the Scheme Document and is also set out in the Appendix to this announcement.

The dates and times given in the expected timetable are indicative only and are based on SolGold's current expectations and may be subject to change. Notice to US Investors

The Acquisition relates to the shares of a company registered under the laws of England and Wales and is proposed to be made by way of a scheme of arrangement provided for under Part 26 of the Companies Act. This announcement and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the Takeover Code and UK disclosure requirements, format and style, all of which differ from those in the United States. The Acquisition, implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act of 1934, as amended (the “US Exchange Act”). Accordingly, the Acquisition is subject to the procedural and disclosure requirements of and practices applicable in the UK to a scheme of arrangement involving a target company in England with its securities admitted to trading on the London Stock Exchange, which differ from the procedural and disclosure requirements of US tender offer and proxy solicitation rules. If, in the future, JCHK exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the United States, the Takeover Offer will be made in compliance with applicable US laws and regulations including without limitation and to the extent applicable, under Section 14(e) of the US Exchange Act and Regulation 14E thereunder.

The financial information that is included in this announcement, or any other documents relating to the Acquisition, has been or will be prepared in accordance with International Financial Reporting Standards or other reporting standards or accounting practice applicable in the United Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with US generally accepted accounting principles. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States.

It may be difficult for US SolGold Shareholders to enforce their rights and any claim arising out of the US federal securities laws or the laws of any state or other jurisdiction in the United States in connection with the Acquisition, because SolGold is located in a non-US country, and some or all of its officers and directors may be residents of a non-US country. US SolGold Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US federal securities laws or the laws of any state or other jurisdictions in the United States.

Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

US SolGold Shareholders also should be aware that the Acquisition may have tax consequences in the United States and that such consequences, if any, are not described herein. The receipt of cash by a US holder of SolGold Shares as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws.

US SolGold Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

Notice to SolGold Shareholders in Australia

To the extent that this announcement is received by a SolGold Shareholder in Australia, it is provided in reliance upon ASIC Corporations (Unsolicited Offers—Foreign Bids) Instrument 2015/1070.

Notice to SolGold Shareholders in Canada (“Canadian Shareholders”)

The Acquisition relates to the shares of a company registered under the laws of England and Wales with its securities admitted to trading on the London Stock Exchange, and is proposed to be made by way of a scheme of arrangement provided for under Part 26 of the Companies Act.

The Acquisition contemplated herein has not been approved or disapproved by any Canadian securities regulatory authority nor has any Canadian securities regulatory authority passed upon the fairness or merits of the Acquisition or upon the accuracy or adequacy of the information contained in this announcement. Any representation to the contrary is unlawful.

SolGold is a reporting issuer in the Canadian provinces of British Columbia, Alberta, Ontario, Nova Scotia and Newfoundland and Labrador. On 3 December 2025, SolGold obtained discretionary exemptive relief from the Ontario Securities Commission (the “OSC”), as principal regulator of SolGold, on behalf of itself and the other applicable securities regulators in Canada, relieving it from certain continuous disclosure requirements under Canadian securities laws provided that, among other things, it files on SEDAR+, makes publicly available or provides to its securityholders in Canada the continuous disclosure materials that it is required to file, make publicly available or provide to its securityholders pursuant to the applicable disclosure requirements in the United Kingdom. Accordingly, this announcement and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the Takeover Code and UK disclosure requirements, all of which differ from the requirements applicable to a transaction conducted under Canadian corporate and securities laws.

The enforcement by investors of civil liabilities under Canadian securities laws may be affected adversely by the fact that SolGold is incorporated or organised under the laws of a jurisdiction other than Canada, that some or all of SolGold's officers and directors are and will be residents of countries other than Canada, and that all or a substantial portion of the assets of SolGold and such persons are and will be located outside Canada. As a result, it may be difficult or impossible for Canadian Shareholders to effect service of process within Canada upon SolGold and SolGold's respective officers or directors or the experts named herein, or to realise against them upon judgments of courts of Canada predicated upon liabilities under Canadian securities laws. In addition, Canadian Shareholders should not assume that the courts of England and Wales: (a) would enforce judgments of Canadian courts obtained in actions against such persons predicated

upon civil liabilities under Canadian securities laws; or (b) would enforce, in original actions, liabilities against such persons predicated upon civil liabilities under the Canadian securities laws.

Canadian Shareholders should be aware that the Acquisition may have tax consequences in Canada and that such consequences, if any, are not described herein. The receipt of cash by a Canadian Shareholder as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for Canadian federal and provincial income tax purposes. Canadian Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

Forward-Looking Statements

This announcement (including any information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by JCC, JCHK or SolGold contain statements which are, or may be deemed to be, “**forward-looking statements**” with respect to JCC, JCHK, SolGold and the Enlarged JCC Group. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as “**anticipate**”, “**target**”, “**expect**”, “**estimate**”, “**intend**”, “**plan**”, “**goal**”, “**believe**”, “**aim**”, “**will**”, “**may**”, “**would**”, “**could**” or “**should**” or other words of similar meaning or the negative thereof. Forward-looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, synergies, financial conditions, market growth, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the operations of the JCC Group or the SolGold Group; and (iii) the effects of government regulation on the business of the JCC Group or the SolGold Group. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are the satisfaction (or, where permitted, waiver) of the Conditions as well as additional factors, such as domestic and global business and economic conditions; the impact of pandemics, asset prices; market-related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, Eurozone instability, the Russia-Ukraine conflict), disruption in business operations due to reorganisation activities, interest rates, inflation, deflation and currency fluctuations, the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Enlarged JCC Group to realise successfully any anticipated synergy benefits when the Acquisition is implemented (including changes to the board and/or employee composition of the Enlarged JCC Group), the inability of the JCC Group to integrate successfully the SolGold Group’s operations and programmes when the Acquisition is implemented, the Enlarged JCC Group incurring and/or experiencing unanticipated costs and/or delays (including IT system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Acquisition when the Acquisition is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. By their nature, these forward-looking statements involve known and unknown risks and uncertainties (and other factors that are in many cases beyond the control of SolGold, JCC and/or JCHK) because they relate to events and depend on circumstances that will occur in the future. The factors described in the context of such forward-looking statements in this announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. No assurance can be

given that such expectations will prove to have been correct and persons reading this announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this announcement. None of the JCC Group nor SolGold Group, nor any of their respective associates or directors, officers or advisers, provide any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. All subsequent oral or written forward-looking statements attributable to JCC, JCHK or SolGold or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Other than in accordance with their legal or regulatory obligations (including under the Takeover Code, MAR and the UK Listing Rules), neither of JCC, JCHK nor SolGold is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No Profit Forecasts, Estimates or Quantified Financial Benefits Statements

No statement in this announcement is intended, or is to be construed, as a profit forecast or estimate for any period or a quantified financial benefits statement and no statement in this announcement should be interpreted to mean that earnings or earnings per ordinary share, for JCC, JCHK or SolGold, respectively for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per ordinary share for JCC, JCHK or SolGold, respectively.

Disclosure Requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) of the Code applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8 of the Code. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Code applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Code). Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0) 20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
